

Wholesome by Nature, Timeless by Tradition.

ROOTED IN TRADITION, CRAFTED WITH
PURITY, AND DELIVERED WITH CARE —
TĀMRIKA BRINGS NATURE'S FINEST TO THE
MODERN WORLD.

Tāmrika is a natural living brand by Emporeko Global, offering a thoughtfully curated range of organic, farm-fresh, and wellness-focused products. Rooted in purity and inspired by traditional wisdom, Tāmrika brings you the finest in fruits & vegetables, spices, grains, millets, oils, and herbal superfoods — all responsibly sourced and export-ready.

At Tāmrika, we bring you a thoughtfully curated selection of organic, natural, and ethically sourced products, inspired by India's rich agricultural heritage and holistic wellness traditions. Every product we offer is crafted with care, purity, and purpose — tailored for global standards and conscious consumers.

***certified. Sustainable.
Unmatched in Quality***

Check Out Our Diverse Offerings !!

FRUITS & VEGETABLES

Fresh, frozen, dried, and organic produce sourced directly from certified farms. Carefully handpicked and processed to ensure exceptional quality and maximum freshness – naturally nourishing and export-ready.

GRAINS, RICE, MILLETS & PULSES

A diverse selection of premium-quality staples including traditional grains, black rice, quinoa, and nutrient-rich millets – the ancient superfoods making a global resurgence. Our offerings also feature a variety of wholesome pulses, cultivated sustainably and processed with care for global markets.

SPICES & CONDIMENTS

Aromatic, vibrant, and deeply authentic – our range includes whole, ground, and expertly blended spices. From bold turmeric and earthy cumin to custom spice mixes and regional masalas, each offering is carefully sourced and crafted to preserve its full flavor and natural potency.

A decorative background featuring fresh green herbs and a sliced avocado with a stone, creating a natural and healthy aesthetic.

HERBS & WELLNESS SUPERFOODS

Rooted in ancient Ayurvedic wisdom and modern wellness needs, our collection includes powerful natural supplements like ashwagandha, moringa, giloy, shilajit, and aloe vera. We also offer tulsi, neem, brahmi, and other potent botanicals – carefully processed to retain their therapeutic benefits. Ideal for health brands, nutraceuticals, and conscious consumers seeking clean, plant-based wellness.

COLD-PRESSED OILS

Pure, unrefined, and packed with natural goodness – our oils are extracted using traditional cold-press methods to preserve their nutritional value and aroma. The range includes extra virgin olive oil, coconut, sesame, mustard, groundnut, sunflower, flaxseed, castor, and neem oils. Ideal for culinary use, wellness routines, and cosmetic formulations – all responsibly sourced and packaged for global export.

PURE DESI GHEE

Crafted using time-honored traditional methods, our pure desi ghee is made from the milk of grass-fed cows, churned slowly to preserve its rich aroma, golden hue, and nutritional integrity. Free from additives and preservatives, Tāmrika Ghee is purity you can taste – and trust.

READY-TO-EAT FOODS

Convenience meets tradition in our diverse range of Ready-to-Eat and frozen meals, prepared with authentic recipes and the finest natural ingredients. From spiced lentil curries, stuffed breads, and fragrant rice dishes to crispy Indian snacks and traditional sweets, each item is hygienically processed, preservative-free, and export-ready. Whether it's frozen curries, heat-and-serve snacks, or soft Indian flatbreads, Tāmrika brings the true flavors of India to tables across the world – anytime, anywhere.

WHOLESOME FLOURS FOR EVERY NEED

At Tāmrika, we bring together tradition and innovation with a versatile selection of flours. Choose from everyday essentials like whole wheat, rice, maida, and gram flour (besan), or explore nutrient-rich alternatives such as ragi, jowar, bajra, quinoa, and amaranth flour. We also offer functional blends like protein-enriched multigrain flour, beetroot flour, and spinach flour, developed for today's health-conscious consumer. Naturally processed, preservative-free, and export-ready.
